Ballyhale, Co. Kilkenny

### **Table Quiz 27<sup>th</sup> March 2020**

Dear Parents

As you may be aware, we are holding a Table Quiz on Friday **27<sup>th</sup> March** in Carroll's Hotel, Knocktopher, Co. Kilkenny. We would ask all parents and Students to please try and attend this event to support our fundraising drive, we need to raise much needed funds to purchase laptops for the students to use in Class for the enhanced digital learning programme Scoil Aireagail is trying to introduce in the school.

As you are aware a lot of money has been invested into the School over the years which is a great credit to all involved both past and present, all our sponsors & volunteers and not forgetting the most important the children. Scoil Aireagail is getting stronger every year but we want to keep this going, however to do this we need your support.

We would love to see you there don't worry if you don't have a full team, we will make a team for you we need BUMS on seats. If you are unable to attend you might buy a few tickets and return them to the Group and you will be entered into the raffle.

Also we are asking each family if at all possible to donate a prize for the raffle, maybe you have that box of sweets, bottle of wine tempting you since Christmas or that unwanted gift that you just don't know what to do with it we will take it off your hands.

This is a great night out in a relaxing atmosphere a few drinks, loads of crack and a fantastic laugh.

Looking forward to your continued support.

Yours faithfully,

**Scoil Aireagail Parents Association**
