Junior Cycle Reflections: Student Participation and Inclusion at Scoil Aireagail – Ronan Crowley

Reflecting on my time at Scoil Aireagail, I recall moments where students' voices reverberated throughout the school, shaping our experiences and fostering a sense of belonging that transcended the ordinary. One such memory takes me back to second year, when our year head organised a lively table tennis tournament during lunch breaks. Over the course of several months, matches unfolded, culminating in an exhilarating final match that drew spectators from across different year groups. In that electrifying atmosphere, I found myself immersed in the thrill of competition, a testament to the inclusive spirit that pervaded our school community.

Participating in the Connections Through Technology program further underscored Scoil Aireagail's commitment to inclusivity. Every Friday morning, I, along with fellow students, dedicated our time to teaching members of the local active retirement community how to navigate technology. It was a gratifying experience, not only because we were offering a valuable service but also because it exemplified our school's ethos of extending inclusion beyond its walls. In return, the elderly members of our community joined us during lunchtime, sharing their wisdom through games of Whist, bridging generational divides and fostering connections that enriched us all.

Central to fostering inclusivity at Scoil Aireagail are the dedicated efforts of our teachers, who employ interactive strategies to ensure the active participation of every student. From thought-provoking reading assignments to engaging questioning techniques and open discussions, our teachers have cultivated an environment where every voice is valued, every perspective respected.

As I reflect on these experiences, I am reminded that Scoil Aireagail is more than just a school; it is a beacon of inclusivity, a place where students, staff, and the wider community come together in a spirit of camaraderie and mutual respect. In embracing diversity and celebrating the unique contributions of each individual, our school has created a tapestry of inclusivity that enriches us all.

Inclusive Education: A Senior Cycle student's Reflection on Scoil Aireagail- Jessica Flynn

Reflecting on my journey at Scoil Aireagail, I am grateful for the platform to share my perspective on inclusivity in education. As the 6th year representative of our school's inclusivity team, I've had the privilege of witnessing firsthand the commitment to creating an environment where every student feels valued and supported.

Transitioning to Scoil Aireagail, particularly after being diagnosed with autism the year prior, was a significant step for me. However, repeating 1st year proved to be the right decision, allowing me to thrive in an inclusive setting. The provision of Special Needs Assistants and spaces like the ASD unit for students overwhelmed by sensory stimuli demonstrates Scoil Aireagail's dedication to meeting diverse needs.

Beyond support structures, Scoil Aireagail upholds a zero-tolerance policy for bullying, swiftly addressing any issues that arise. This stance contributes to a safe and nurturing environment where students can focus on learning and growth.

Participation in initiatives like the first-year mentorship program exemplifies the cross-year collaboration prevalent at Scoil Aireagail. As a mentor, I had the opportunity to assist incoming students in navigating the challenges of secondary school, fostering a sense of community and support from day one.

Moreover, students are empowered to organize events such as table tennis tournaments and sports days, fostering leadership and teamwork skills across all levels. This empowerment, coupled with mutual respect between staff and students, cultivates an atmosphere of trust and collaboration.

At Scoil Aireagail, students are encouraged to flourish without fear of failure. The recognition of our voices and contributions in decision-making processes instils a sense of ownership and pride in our school community. It's this inclusivity and validation of student input that fuels my genuine joy and excitement for learning and participation in school activities.

In conclusion, Scoil Aireagail exemplifies the essence of inclusive education, where every student is valued, respected, and empowered to reach their fullest potential. As I look back on my time here, I am filled with gratitude for the opportunities, support, and sense of belonging that have shaped my journey.

Turus Gaeltachta

Ba thuras den chéad scoth a bhí againn sa Ghaeltacht i mbliana. What a few days we had in the West ag foghlaim ár dteanga dhúchais agus ag foghlaim faoin tírdreacht chomh maith. Our first port of call was the famous surf beach of Lahinch and it didn't disappoint. We identified coastal protection measures previously spoken about in class etc. Bhí an ghrían ag glioscarnach go hard sa spéir agus ní fada go raibh daoine ag súgradh ar an trá. From there we headed to the majestic cliffs of Moher which provided us with a stunning view of the area as well as The Aran Islands and the Twelve pins. We even entertained some tourists with a ceilí beag. Poll na bróin and a lesson on Karst landscapes came next followed by The Ailwee caves. Thursday we headed from Ros an Mhíl to Cill Ronáin Inis Mór. Bhí sé ag stealladh báistí ach níor chuir sé isteach orainn. Chuamar ag rothaíocht ann agus thaitin Dún Aonghasa linn chomh maith. Bhí gach duine ag caint as Gaeilge ón noiméad a d'fhágamar Scoil Aireagail until we returned again tráthnóna de hAoine. Beatha teanga í a labhairt.

Soccer Triumph for Scoil Aireagail

On Wednesday, May 22nd, our junior boys and girls achieved remarkable victories in their KCETB league finals held at Highview Athletic. Facing tough opponents, the girls took on Coláiste Aindriú Bagnelstown, while the boys clashed with Coláiste Pobail Osrai.

In a hard-fought match, our girls dominated the field against Coláiste Aindriú Bagnelstown, though breaking through their defensive formation proved challenging. It was a late surge from players like Orla Sutton, Megan Walsh, and Abbie O'Keefe in the second half that secured a well-deserved victory, with a final score of 4-0 to Scoil Aireagail.

Meanwhile, the boys displayed impressive teamwork and skill from the start, with standout performances from Michael Dunne and Oisín Duffin. After a clever free kick from Sam Mansfield, deftly finished by Duffin, the boys took the lead. Despite a spirited fightback from Coláiste Pobail Osrai, an inspirational second half--and extra--time performance, particularly from Cathal Coogan, stifled their threat. Two late goals, orchestrated by Mansfield and finished by Duffin, sealed a thrilling 3-1 win for the boys.

These victories mark a quadruple of trophies for Scoil Aireagail Soccer this year, a testament to the dedication and talent of our players and the guidance of our management team led by Mr. Mackey and Mr. Doyle. Congratulations to all involved on this outstanding achievement!
